=====

E A B E

E A
Some boys with warm beds and cold, cold hearts

E
Can make you feel nothing at all

B A
They'll never remember and they'll never mind

D A
If you're counting the cracks in the wall

E
They're quick and they're greedy

A
They never feel guilty

E
They don't know the meaning of hurt

B A
The boots just go back on, the socks that had stayed on

D A
The next time they see you they treat you like dirt

B E
The next time they treat you like dirt

E A
Now don't come the cowboy with me Sonny Jim

E
I know lots of those and you're not one of them

B C
There's a light in your eyes tells me somebody's in

B E
And you won't come the cowboy with me

E A
Don't be too rough on my cold, cold heart

E
It's all I've got left to me now

B A
I fell out of favour with heaven somewhere

D A
And I'm here for the hell of it now.

E A
Some girls play cowboys and some boys play harder to get

E
But they're got just the same

B A
They smile and say cheese They're so eager to please

D A
But they'll never remember your name

B E
The names and the places all change

E A
But don't come the cowboy with me Sonny Jim

E
I know lots of those and you're not one of them

B C
There's a light in your eyes tells me somebody's in

B E
And you won't come the cowboy with me

A E A E - F B F B

A E A E - F B F B G B E A
Did somebody tell you I'm lonely as hell?

E
I didn't expect you to know me so well

B A
If I learned a lesson it's how to bounce back again

D A
Sometimes I bounce off the wall

B E
And sometimes my head hits the floor

E A
So don't come the cowboy with me Sonny Jim

E
I know lots of those and you're not one of them

B C
There's a light in your eyes tells me somebody's in

B
And you won't come the cowboy

E A
Oh don't come the cowboy with me Sonny Jim

E
I know lots of those and you're not one of them

B C
There's a light in your eyes tells me somebody's in

B E
And you won't come the cowboy with me
