=====

Bmin E Bmin E Bmin E

F#min B F#min
I thought of you when they closed down the school

B F#min
And the hospital too

A
Did they think that you were better?

F#min
They were wrong

B F#min
You had so many friends

B F#min
They all left you in the end

A
'Cause they couldn't take the patter

Bmin E Bmin
And I'll see you baby when the clans rise again

E Bmin D
Women and men united by a struggle

Bmin
Going down

E Bmin
You gotta walk into the water

E Bmin
With your sister and your daughter

G
In this free world

F#min B F#min
If I wore your shades could I share your point of view?

B F#min
Could I make you feel better?

A
Paint a picture, write a letter?

F#min
Well I know what you're saying

B F#min
But I see the things you do

B F#min
And it's much too dangerous

A
To get closer to you

Bmin E Bmin
But I will see you baby when the clans rise again

E Bmin D
Women and men united by the struggle

Bmin
Going down

E Bmin
With a pocketful of plastic

E Bmin
Like a dollar on elastic

G A G
In this free world

G Bmin
(I wouldn't tell you if I didn't care)

Bmin E Bmin
I'll see you baby when the clans rise again

E Bmin D
Women and men united by the struggle

Bmin E Bmin
And the ghettos are full of Mercedes Benz

E Bmin
And you'd never hurt a friend

G
Who wouldn't tell you

F#min B F#min
It's cold and it's gonna get colder

B F#min
You may not get much older

A
You're much too scared of living

F#min B F#min
And to die is a reliable exit

B F#min
So you push it and you test it

A
With 'Thunderbird' and 'Rivin'

Bmin E Bmin
And I'll see you baby when the clans rise again

Bmin E D
Women and men united in the struggle

Bmin
In this free world baby

E Bmin
Got to take it got to grab it

E Bmin
Got to get it up and shag it
