PLEASE HELP ME, I'M FALLING

Written by Don Robertson and Hal Blair
Transcribed by John Meranda

```
The following chords are used in this song:

            X02220 XX0232 024442 022100
              A      D      B      E

=========================================================================
                 A      D          A
Please help me, I'm falling in love with you

                  D     A      B
Close the door to temptation

                   E
Don't let me walk through

                 A
Turn away from me darling

           D
I'm begging you to

                 A     E          A     D A E A
Please help me, I'm falling in love with you

          A    D                  A    D
I belong to another whose arms have grown cold

            A D B            E
But I promised for ever to have and to hold

           A
I could never be free dear

           D
But when I'm with you

             A    E           A
I know that I'm losing the will to be true

          A D A D A B E - A E A E A

               A    D             A
Please help me, I'm falling and that would be sin

                  D A   B
Close the door to temptation

                 E
Don't let me walk in
```

```
            A                           D
For I mustn't want you, oh but darling I do

                    A     E         A
Please help me, I'm falling in love with you

        D         A     E         A
Please help me, I'm falling in love with you
```
