If you don't open your eyes then you're gonna get hurt

But you're the one I still care for
D G A D G A
And you won't see me no more if you see that girl

Now you may think she's fine when she's out with you
D G A
But she only comes around when she's got nothing to do

I don't want to interfere
D G
But that girl seems so insincere
D G A D D7
And I won't hang around here if you see that girl

Do you believe the things that she said to you tonight
C G F A
Why can't you see the way she treats you isn't right?
