G F Em G F Em
I want to tell you something

It's not a secret or anything

You're not alone in being alone

At the end of a perfect day

G F Em G F Em
And if you leave all your dependants

G F Em G F Em
Then they will gain their independence

G F Em G F
Don't make a martyr of yourself

Em C F
It's just the end of a perfect day

Am F
And it's never how it seems

Am F
The rain may fall on the best laid schemes

Am Em F
But in a written testimonial I'd say

F# G Em F
I never really knew you anyway

G F Em G F Em
I want to tell you something

G F Em G F Em
Now don't go crazy or anything

G F Em G F
Just want to tell you that it's over

Now you can love or you can hate

Em C F
It's just the end of a perfect day

Am F
You can't get inside someone

Am F
So don't ask me if we're close

Am Em
I really couldn't tell you

F F# G
But I know you wouldn't really listen anyway

Am F
It's a pain you've got to bear

Am F
And it's always going to be there

Am Em
But if you disappeared tomorrow

F F# G Em F
Then the world would carry on without you anyway

G G F# F
Mind over matter it seems

Em Am
Can't stop you falling apart at the seams

C Dm
It's a matter of honour with me

G
I should write out a hundred times

F
Put my hand on my heart and say

That I don't want to lie

Don't want to lie

F#
About the way it is

G F Em G F Em
I want to tell you something

G F Em G F Em
Don't act surprised now or anything

G F Em G F
Now you can revel in yourself

Em C F
'Cause it's the end of a perfect day

Am F
No it's not a pretty world out there

Am F
With people dying of their own despair

Am Em F
But in a written testimonial you'd say

F# G
You never really knew them anyway

Am F
I'll never satisfy you

Am F
I'll never even try to

Am Em
I really couldn't tell

F F#
It just depends what you remember

G Em F
At the end of a perfect day
