Transcribed by **John Meranda**

The following chords are used in this song:

320003 X32010 XX0232 X03200 133211  
G C D Cmaj F

=====

G  
Will you start my dreams

Cmaj  
Or will you end my schemes

Em C D  
Or will you let me go down so low?

G  
You and me baby

Cmaj  
Well we got no friends

Em  
Except for you and me baby

C D  
This is journey's end

G Cmaj  
And I try to hang on to all those precious smiles

Em C D  
But I'm tired of walking and it must be miles

F D  
Every time I took your hand

F  
I felt so moved

C D  
Did you feel it too?

G  
You and me baby

Cmaj  
Well we got no friends

Em  
Except for you and me baby

C D  
This is journey's end

G Cmaj  
And I try to hang on to all those precious words

Em  
But they don't come easy

C D  
No I know they hurt

G  
You and me baby

Cmaj  
We'll help each other

Em C D  
And I'll be your sister if you'll be my brother

G  
And we won't be parted

Cmaj  
And we will be friends

Em  
'Cause it's you and me baby

C D  
It's journey's end

F D  
Every time I took your hand

F  
I had a first class ticket

C D  
To the promised land

G Cmaj  
Rosebud, oh Rosebud

Em C D  
He turned to me and wept

G Cmaj  
A vaguely coded message

Em C D  
I could never intercept

G  
You and me baby

Cmaj  
Well we got no friends

Em  
Except for you and me baby

C D  
This is journey's end

G  
You and me baby

Cmaj  
We'll help each other

Em C D G  
And I'll be your sister if you'll be my brother
